

MEMORIES

Our Chef Gil Fernandes and his team welcome you
at the Restaurante da Fortaleza do Guincho

Our Menus are created with a philosophy of gastronomic
values based on product quality, flavour, tradition, aesthetics
and seasonality.

Gastronomy is based on Memories and these menus
are a mirror of ours. Each course is born from
a Memory that tells its own story.

We hope that you experience it the same way that we do.

O Passado é o Presente na Lembrança

In order to guarantee a harmonious service, we kindly ask
our guests to choose the same number of courses per table.

Due to their complexity, Tasting Menus can be ordered until 8:30 p.m.
